

Each June the 25th Reunion Class gathers in the Purple Valley to celebrate, renew acquaintances, and make new friends. Get involved in the planning and connect with classmates throughout the year leading up to reunion!

Each reunion is special because of the many alumni volunteers involved at all levels. If you are interested in assisting with your class's reunion efforts, here's how you can help:

- **Class Book Committee:** This committee creates the most significant product of the reunion – year after year, people say it's their favorite. The class book includes personal input from each classmate, as well as photos, essays, and nostalgic items. We look for volunteers to lead and/or participate on this committee. In partnership with the 25<sup>th</sup> Reunion staff, the committee will encourage classmates to write submissions and will help create and proof the book.
- **Communication and Reconnection Committee:** This committee reconnects and networks with classmates, and uses social media tools to remind and encourage record-breaking turnout at reunion weekend! Each class needs a **Committee Chair**, plus a **Social Media Chair** and quite a few classmates to help reach all our scattered geographies and affiliations (e.g. freshman entries, teams, activities).
- **Weekend Committee:** Lead the team or assist in planning the big weekend at Williams. In partnership with the 25<sup>th</sup> Reunion staff, this committee is responsible for activities, menus, special beverages, entertainment/music, tent decor and speakers. This group also includes a **Golf Chair** to organize golf rounds at the beautiful Taconic Golf Club.
- **Reunion Fund Committee:** This committee partners with and builds on the great work of the Alumni Fund agent team to lead the class towards making its largest gift to Williams to date. Classes mark their 25th reunion with a special gift designated to a particular purpose. Recent 25th class gifts have ranged from \$2 million to \$10 million. These gifts have helped to support faculty, provide scholarships, fund tutorials, and finance new construction and building renovations.
